

Here's a Christmas card
you can share with someone!

Color the picture and help the
friends decorate the tree!
Glue a button, pompom, sequin,
pasta shell or sticker on the
end of each ornament string
for extra fun. Or draw your
own ornaments there.

Do you have a Christmas tree
in your home? How do you like
to decorate it?

Fold the card on the dotted line.
Now it can open!

Merry Christmas from
Nawful and his friends !

Tip: the card on the next page prints best on cardstock.
