

LET'S MAKE A
CHRISTMAS
ORNAMENT!

Nawful is:
Dashing through the sand,
On his raft used for a sleigh,
Hoping that you'll have
A beautiful Christmas Day!

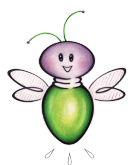

(front)

1. Choose which ornament
to use. *color the black and
white ornament if you'd like.)

2. Carefully cut it out
along the thick, black
circle.

3. Follow the directions
on the next page to finish
your ornament! ☺

Directions!

WHAT YOU'LL NEED :

• scissors

• school glue

• wide-mouth mason jar lid

• tape

• paper clip

↳ unfolded

OPTIONAL :

• Q-tip (for spreading glue)

• yarn, ribbon, twine or string cut to the long length of this paper to make a bow or hanger (instead of )

• pipe cleaner, looped in half and twisted (instead of )

• Colorful paper punch dots or sequins, beads, or pearls to glue over Christmas balls on the palm tree

• sticky/glue dots (instead of )

*Try 4mm adhesive gem stones

WHAT TO DO :

1. Choose which ornament (colored or not) to make and cut it out on the outside black edge.

2. Squeeze a thin bead of glue inside the lid's edge on the flat part. (Tip: You can spread it out with a Q-tip.)

3. Place the circle on the glued edge, picture side up.

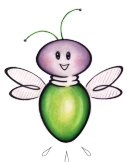

4. Loop the yarn, ribbon or twine in half, or unfold the paper clip.

5. Tape it to the back of the ornament so the loop or clip is above the edge of the lid.

6. Hang it on your tree or wrap it for a gift.

FOR EXTRA FUN :

Spread a thin layer of glue over the sand part of the picture. Sprinkle some brown sugar or glitter over the glue. Tap off the extra sprinkles. Glue extra decorations (see options above) over the Christmas balls on the palm tree. Make a bow and glue it to your hanger at the top of the lid.
